MASTER PILOT AWARD

The Wright Brothers Master Pilot was awarded to Kentucky Bluegrass 99s member Kaye Combs Moore on January 8, 2022. Kaye soloed on her 21st birthday, 8/2/58 by Flight Instructor Jane Ralston. Kaye is only the second woman in Kentucky to receive this award, the first being Jane Ralston.

Kaye made many impressive aviation accomplishments. Instrument, Commercial, Multi-engine and ground instructor certificates and ratings. She's attended dozens of 99 section meetings, international conventions, and has been a group leader at our Kentucky Bluegrass Girl Scout Aviation Day for 20 years!

The Wright Brothers Master Pilot award is named in honor of Orville and Wilbur Wright, who were credited with inventing, building, and flying the world's first successful motor-operated airplane. The Wright Brothers made the first controlled, sustained flight in the Wright Brothers Flyer on December 17, 1903 at Kitty Hawk, North Carolina.

To be eligible for this award you must:

Hold a pilot certificate

Have 50 or more years of piloting experience commencing from the solo

Be a US citizen

Have not had any airman certificate revoked

CELEBRATION AND LUNCH

A fun day of information, celebration and delicious food! Thank you all!
